

STUDENTS FOR
TRUMP
MAKE AMERICA GREAT AGAIN!

June, 23 2016

Dear James Startzman,

I first want to congratulate you on your 2016 candidacy for State Representative. This election season will be one of the most historical and important elections our country will face, and it is vital for you and Mr. Trump to win in November.

On behalf of the thousands of students in the Students for Trump organization, you have been chosen as one of four candidates that we are officially endorsing. Congratulations!

You will have the full support of this organization; we will be mobilizing our Students for Trump volunteers to help your campaign with phone banking, canvassing doors, social media, surrogates and volunteer recruitment.

It will be a pleasure working with you and making sure we defeat #Crooked Hillary and Representative Kimberly Williams in November.

Thank You, and Make America Great Again!

Sincerely yours,

Hunter Dworsky, Chairman and Ambassador
